

21-2-17

Dear Parents/ Carers,

SATs MEETING
Monday 27th February
2.30pm in the hall.

As you are possibly already aware, all children in Year 2 will be taking part in the National Curriculum tests (SATs) in May 2017. We would therefore like to invite you to attend the Year Two SATs meeting next Monday, following on from the parent's consultation meeting this week.

During the meeting, we will be discussing what SATs means, the background behind the tests and then looking in greater detail at the types of tests your child/ren will be undertaking. We will also give you the opportunity to look through previous test papers so that you have a much clearer understanding of the National Standard expected for your child/ren by the end of this academic year.

By attending the meeting, we hope you will have a clearer picture of the learning journey your child has been taking over the past academic year. By becoming actively involved, you will be supporting your child to achieve their full potential.

We hope to see you there!

Kind regards,

Eleanor Denton
(Key Stage One Leader)
